ABSTRACT

This locational listing of schools in sixty-one member states of the UNESCO Associated Schools Project utilizes three languages: English, French, and Spanish. The member countries are listed in the forepart. The directory is arranged in three sections: 1) Primary Schools, 2) Secondary Schools, and 3) Teacher-Training Institutes. Countries are listed alphabetically in each section; the countries' educational coordinators are given; and the schools are listed with addresses. The Special Project Director or the Principal at each school is also included. (JMB)
